Dear FCC:

To Whom it May Concern,

I purchased the trac phone for the number one reason that a regular cell phone was just way to expensive for me. I like being able to purchase a card and know exactly how much time I am going to have to use with out the extra cost!!!! I beg you to leave this service fee alone and find something else to raise the fee on.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,
